

DETERMINATION OF NONSIGNIFICANCE

Description of proposal: An even-aged harvest of 3.5 acres with 65,000 board feet to be harvested. Due to Conversion to Another Use and being located on Lands Platted After January 1, 1960, it is a Class IV General. The Forest Practice Application number is 2608055 and it is located within Clallam County.

Condition: This review only covers the FPA activities as described in the SEPA checklist and associated Forest Practice Application. Any conversion activities related to this proposal may require additional SEPA review.

Proponent: The City of Port Angeles
P O Box 1150
Port Angeles, WA 98362

Location of Proposal, including street address, if any:

Parts of Section 1, Township 30N, Range 07W

Lead Agency: Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- ☐ There is no comment period for this DNS.
- ☒ This DNS is issued under 197-11-340(2); the lead agency will not act on this proposal for 14 days from September 15, 2006. Comments must be submitted by September 29, 2006.
